COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Sir:

Applicants traverse the examiner's statement of reasons for allowance to the extent that the reasons for allowance fail to attribute patentability of the claims to the claims as a whole. Applicants further traverse the statement to the extent the comments therein may be viewed as a means of defining or otherwise limiting the claims in a manner inconsistent with applicants' description of the claimed invention and applicable law.

Respectfully submitted,

Christopher T. Griffin, Reg. No. 33,392
